Knollwood Country Club

Your Club ~ Your Home Since 1925

As KCC prepares to enter its second century, we are in the midst of our centennial course renovation project. We've also recently updated and renovated our member grill room, clubhouse lobby, rackets and pool areas. We have added new hard-surface pickleball courts and a kid's splash pool, along with refreshes to the rackets house and pool locker rooms. We have also added a complimentary coffee lounge and several other improvements to make your time at Knollwood special.
